KODALY based early childhood music Core

Curriculum This 3 hour interactive workshop includes:

- 4 components for presenting a song or a rhyme
- 3 essential keys to starting a song with your group so that the group sings in tune, in synch, in unity
- 5 stages of singing in tune and how to guide a child through these stages

- age-appropriate songs, rhymes and movement games
- activities that teach the concepts of fast-slow, loud-soft, and high-low
- takeaway materials that you can use right away in your classrooms

Do you need a proven framework for creating or revitalizing your music curriculum? Are you looking for activities to help children

find and develop their confident singing voice?

MARY ROBERTS presents her core curriculum guaranteed to engage the whole child in experiencing essential musical concepts and give strong preparation for later music reading and writing. Questions & Info. contact:
